

Cabana X

Limited Lifetime Warranty

THIS PRODUCT HAS BEEN MANUFACTURED AND TESTED TO THE HIGHEST QUALITY STANDARDS BY STRUXURE

This Limited Lifetime Warranty offered by StruXure Outdoor, LLC - "StruXure" covers defects in material for a new Cabana X system. This warranty extends to the original purchaser and may be transferred to new owners via procedures included herein. This warranty only covers StruXure products purchased from StruXure or Authorized StruXure Dealers. This warranty is subject to limitations, exclusions, and conditions as detailed in this Warranty Certificate.

Cabana X offers a Limited Warranty on its aluminum frames, motorization, and curtain fabric to the original buyer at the original delivery address against defects in material or workmanship for the following durations:

/ Aluminum Frame (Post/Beam/Louver) Warranty: 5 years on materials

/ Motorization Somfy® Warranty: 5 years on materials

/ Fabric Warranty: 5 years on materials

Defects in workmanship and materials are defined, for the purpose of this warranty, as causing the product to be unsound structurally or mechanically, or substantially altering the appearance of the Cabana X. A valid proof of purchase receipt for your Cabana X will be required to make any Warranty claim.

Any modifications made to the Cabana X by or on behalf of the customer, or the use of chemical treatments or improper cleaning invalidates the Warranty.

We will repair or, at our discretion, replace all or any part of the Cabana X if we determine that it is necessary in order to provide you the best Cabana product on the market. Should repair or replacement be necessary, photographs demonstrating reasons for repair or replacement is required. Please contact Cabana X for an inspection promptly after receiving the product if a problem is evident. This Limited Warranty includes a one (1) year warranty for labor. To file a Warranty claim or to report any problem, send an email to Support@CabanaX.com. A valid proof of purchase receipt for your Cabana X will be required to make any Warranty claim.

Warranty does not cover:

- / Failure caused by lack of appropriate care and maintenance
- / Damage due to misuse or improper assembly
- / Use of improper cleaning products, sun-tan oils, or chemicals
- / Mold or mildew
- / Damage due to vandalism, pets, or rodents
- / Minor variations in color and texture of finishes
- / Acts of nature (ice, flooding, wind, snow, etc.)
- / Damage caused by exposure to heat or flame
- / Bursting or cracking of framing (Post & Beams) due to exposure to water and freezing temperatures

We have taken great care in designing and building our products to stand up to harsh environments, but nothing is foolproof. Care and maintenance are required to ensure the proper lifetime of your Cabana X. Mildew and mold grow on dirt, pollen, and other organic matter; so simple routine cleanings will prevent them from forming on powder coated aluminum and fabrics. Keep louvers open when not in use and take out and store the louvers in a dry place during the off-season. Extra care is required if the cabana is used by an indoor pool or near the seaside. For more information about proper care, please see our Care and Maintenance page located on webpage.
